HUNTERS RIDGE GOLF & COUNTRY CLUB

JANUARY 2025

PRESIDENT'S MESSAGE

Happy New Year! I hope you all had wonderful holidays. Now that it is January, our busy season is upon us. It is probably a good time to remind us all of some of the rules. You may be tired of hearing about rules and expectations (especially from me and I admit to being tired of talking about them) but there are still a few folks who can use reminding.

POOLS - We should all remember the pool is a shared resource with a fairly limited number of lounge chairs. Please be courteous to others. If you leave the pool area, do not leave your "stuff" to reserve the seats. You may return to find your items moved aside to allow others to have a chair. When you or your group leaves the pool please look around and deposit your trash in the bins and wind down your umbrellas so they aren't damaged by wind gusts. We are all owners of our facility. It is a good idea to make sure guests realize that we don't have the level of staffing that has someone cleaning up 24/7.

GOLF - The Board has received incident reports of e-bikes or scooters and random golf carts driving on our golf course/cart paths and speeding on the coquina paths in the dark. Hopefully the perpetrators are not members who should know better. If you are letting your guests go around without you, please make sure your guests realize that the golf course and cart path is only for golfers. Members are responsible for violations by their guests. As the perpetrators are identified, the Board will impose consequences for this behavior as we all know that our golf course is our most important asset. If you witness unauthorized individuals on the course, try to snap a picture and please fill out an incident report found on the member website. We should all protect our assets from members or guests who are not following rules. Consequences for being on the course when you are unauthorized can include suspension from golf or being billed for damages or golf rounds.

COMMUNICATION - Our community works best when we all treat each other respectfully. At our Board meetings, I have noticed and members have commented to the Board that some members can get passionate about their thoughts and forget that people will listen better when the thoughts are conveyed in a respectful manner. Sharing your opinions respectfully is easier if you remember that everyone here wants what is best for Hunters Ridge.

TREAT EMPLOYEES WITH RESPECT - My last reminder is that the Board is absolutely committed to enforcing our rule requiring members to treat employees with respect. Most of our rules allow for a warning or even two, but this rule has zero tolerance because there have been so many notes and articles about this expectation. Treating employees with respect is nothing more than using good manners or the golden rule. Please remember that our employees enable us all to enjoy our full life at Hunters Ridge.

In closing, I am looking forward to the busy life and fun activities ramping up that keep everyone moving here at Hunters Ridge during this season. We are lucky to have such a great home in SWFL.

Linda Dworaczyk
HOA Board President

Life is good at Hunters Ridge

Happy New Year! As we head into 2025, let us all resolve in making the new year the best ever at Hunters Ridge.

Coming soon in January will be the distribution of the 2025 golf cart decals. Members are permitted to use their own golf carts in the community and are subject to all rules for golf cart usage established by the Hunters Ridge community Association. These rules for golf cart usage by all members are the same whether used on the golf course or just for transportation in the community. A complete list of rules and regulations for private golf cart usage can be found on the Hunters Ridge website for your review. Please be reminded of the following:

- At no time may your golf cart be used on the golf course without paying the annual golf trackage fee
- Annual golf trackage fees only cover the golf member(s) on the account. All other passengers must pay the appropriate cart and/or greens fees. Trackage fees must be paid in full every year
- All carts must be registered annually with the Club Administration office and carry liability insurance. A current certificate of liability insurance must be in the Club Administration office files
- Members use their carts at their own risk and assume all liability for any and all damage caused by their carts. In the event of any incident and/or accident, the Hunters Ridge Community Association Inc. will not be held liable at any time
- Consistent with Florida law, children under eighteen (18) years of age may not drive a golf cart in the Hunters Ridge community unless they have a drivers license
- All carts must be equipped with safety features such as brakes, headlights, tail lights, horn, etc.
- When not in use, a privately owned golf cart must be stored in a garage

For 2025, Hunters Ridge Community Association will have a two (2) color cart decal system. One color will be Navy Blue with white numbers which represents a cart with golf cart trackage. In 2025, only carts with the Navy Blue decal are allowed on the golf course. The other color decal is Yellow with black numbers. Carts with this color decal may not be on the golf course at any time. Please know that members who are not in compliance with this regulation may be referred to the HRCA Membership Committee.

Beginning Thursday January 9th, 2025 from 2:00 to 4:00 pm, and every week day thereafter between 2:00 - 4:00 pm, the 2025 cart decals will be distributed in the Administration Office. Prior to the decals being given, a compliance/safety check of your cart will be performed. Please remember to bring a current certificate of your cart liability insurance with you as the new decals will not be issued without it. Also, preference for specific decal numbers will be given first to those who currently have the desired number. We want to thank you in advance for your patience and understanding while we issue these new 2025 cart decals.

On a final note and for clarification, at the Board of Directors meeting on January 8th, 2025, the Directors will be discussing and deciding on the continuation of the golf and social assessments that expired in December 2024. Those monthly assessment amounts were one hundred dollars (\$100.00) for golf and thirty dollars (\$30.00) for social and those amounts could change. The Board is not proposing a new assessment but rather a continuation of the assessment that expired last month. Notice of this Board meeting was mailed to all members well in advance as required. Should you have any questions please feel free to call the Administration Office anytime at your convenience.

Thank you,
Don Huprich
General Manager
